To A Friend From a friend.

The 28th is
my Birthday
don't forget.

Dear friend:

How are you? I just had to send a note to tell you how much I love and care about you. I saw you yesterday as you were talking to your friends. I waited all day, hoping you would want to talk to me also.

As evening drew near, I gave you a sunset to close your day and a cold breeze to rest you, and I waited and waited. You never came. Oh, yes, it hurts me -- But I still love you because you are my friend.

I saw you fall asleep last night and longed to touch your hair. So I spilled moonlight upon your pillow and face. Again I waited, wanting to rush down so we could talk. I have so many gifts for you! You awakened late and rushed off to school. My tears were in the rain.

To day you look so sad -- so all alone. It makes my heart ache because I understand. My friends let me down and hurt me many times too, but I love you! If you would only listen to me. I love you!! I try to tell you in the blue sky and in the quite green grass. I whisper it in the leaves on the trees and breathe it in the colors of flowers. I shout it to you in mountain streams and give the birds love songs to sing. I clothe you with warm sunshine and perfume the air with nature's scents. My love for you is essential and deeper than the deepest ocean and bigger than the biggest harbor. I need inside you. If you only knew how much I want to walk and talk with you. we could spend an eternity together in heaven.

I know how hard it is on earth, I've lived there myself. I really know. And I need you. I want you to meet me and know who I really am. I have so much to share.

DEAR FRIEND THIS IS MY BIGGEST gift - MY FAVORITE Poem
HOPE YOU like it AS MUCH AS I do. LVDIA (Lillie)

—Longfellow

Wrangler Editor —in— Chief

Well, this is it! Twelve years of learning, living, and maturing have ended, leaving us to begin a new, refreshed life with the experience and knowledge we've obtained. And where will we go to begin anew? Some of us will remain in good Ole San Antonio, while others will go to a new town, state, or possibly, a new nation. Nevertheless, we'll all be Cowboys, all faithful to the Green and Gold that so enriched our teen years with spirit, hope, and love.

This has been a great year for us. We've learned a lot, and I hope everyone after us will, too. Please treat McCollum with the love and respect our class, the Class of '82, did, and try to make your senior year the best ever, as we made ours.

I would like to thank Mrs. Alva Ibarra for all her help and support, and always being there, never giving up. I would also like to thank Ms. Dawn Shannon, for without her, many things could not have been possible for me. I would like to congratulate Carlos Nino on his well-deserved position and wish him, and all my other friends, the best of luck with their yearbook. And finally, I'd like to wish all my fellow graduates the very best of luck and happiness. May God watch over every one of you, and remember, Don't Stop Believin'!

Rudy R. Collazo

Wrangler Assistant Editor

Well, as the year has come to an end, we have found friends, lost friends, and have our close friends we will cherish for a life time. It's real important to remember the friends we had at McCollum High. When you decide to look back and pick up your yearbook, you shall see the fun times, sad times, hard times, and the best of times, that you and your friends have shared. As you turn each page you'll see and think of all the good days you have shared with your friends and all the memories that you'll hold close in your heart.

As each senior on graduation night sat and watched their fellow classmates walk across the stage, a special feeling went through each one of us. It was a feeling of love, friendship, closeness, and twelve years spent together that each one of us will cherish for a lifetime. These feelings were shown after the ceremony when everyone hugged and kissed each other saying "Good-bye", crying on each other's shoulder, holding your dearest friends close and wondering if or when you shall see each other again. We will keep this feeling deep down inside of ourselves for many years to come.

Each one of us has a special memory left in McCollum, be it a football game, a dance, a club activity, a bonfire, or just walking through the halls. We shall all remember this school for one reason or another. So the senior class of 82, DON'T STOP BELIEVIN' in each other.

I would like to thank the staff for sticking with me when times were rough. I would also like to thank them for a job well done. This year's staff has shared a great deal of love and closeness with each other, and I will never forget either one of the members. I would also like to thank a very special lady who stood beside all of us when times were hard and never stopped believing in her staff. She was always there. If it was for the yearbook or for personal reasons, she was there to help out and this makes her a very special person. She is Mrs. Alva Ibarra, and I would like to thank her greatly for a job well done.

Our Heroes Will Always Be
COWBOYS!

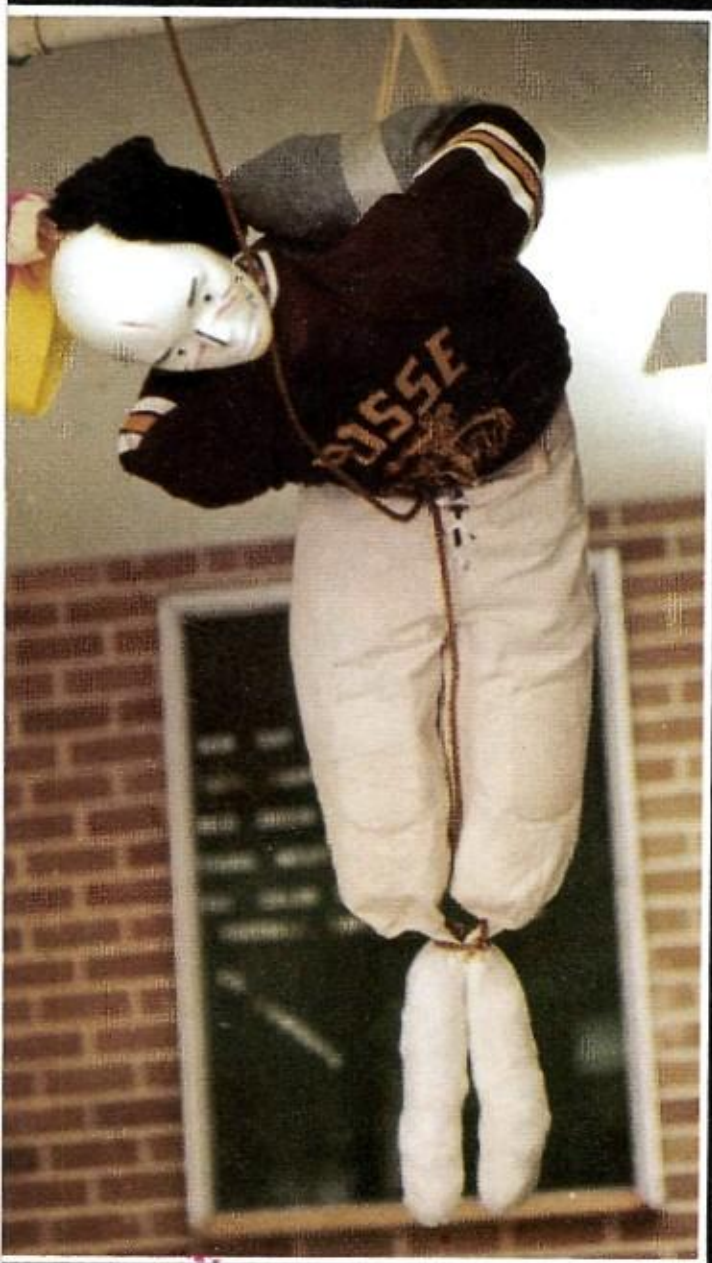

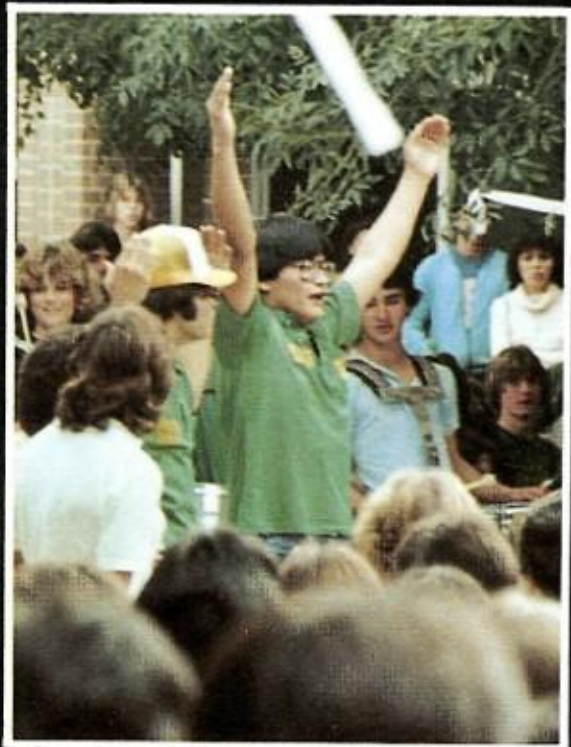

Spirit Week, November 9-13, was a colorful experience. Everyone showed their spirit by participating in the week's activities.

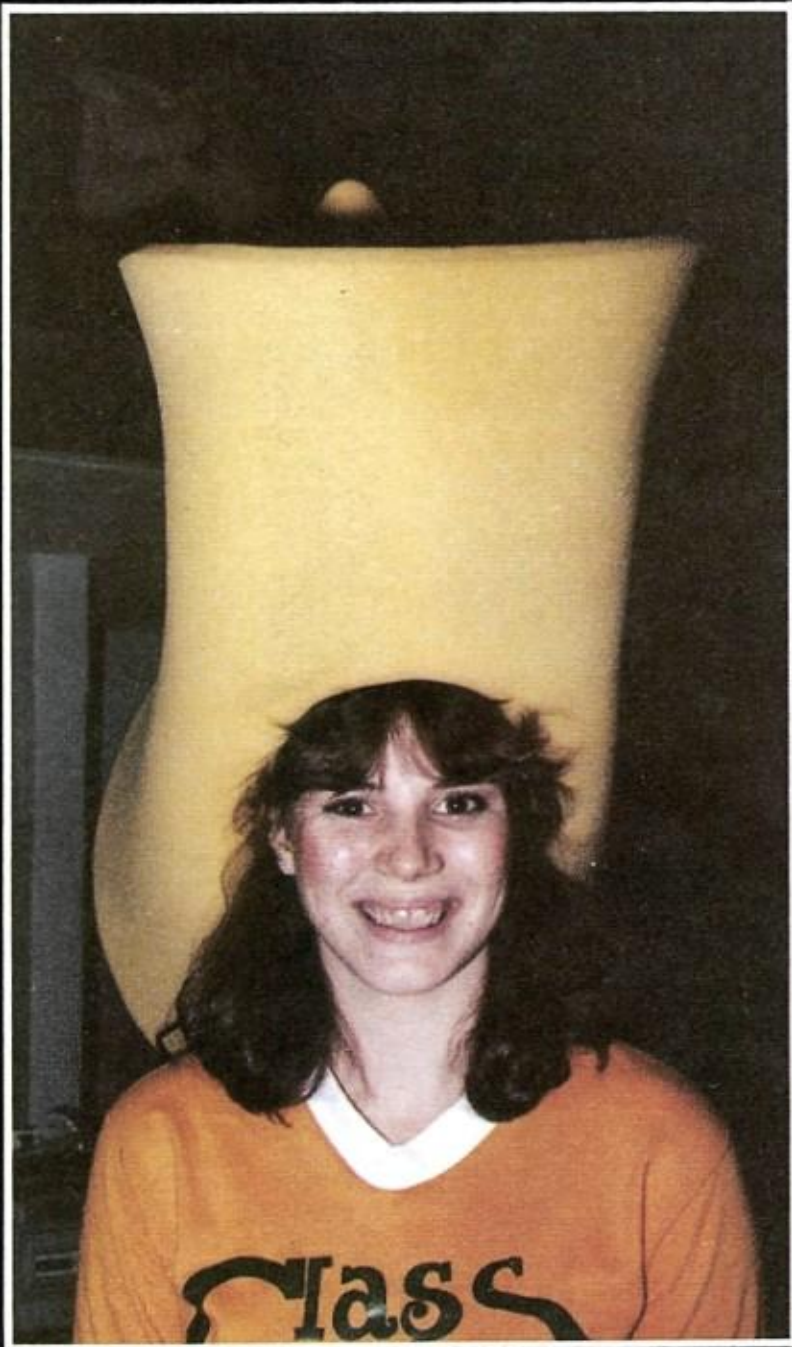

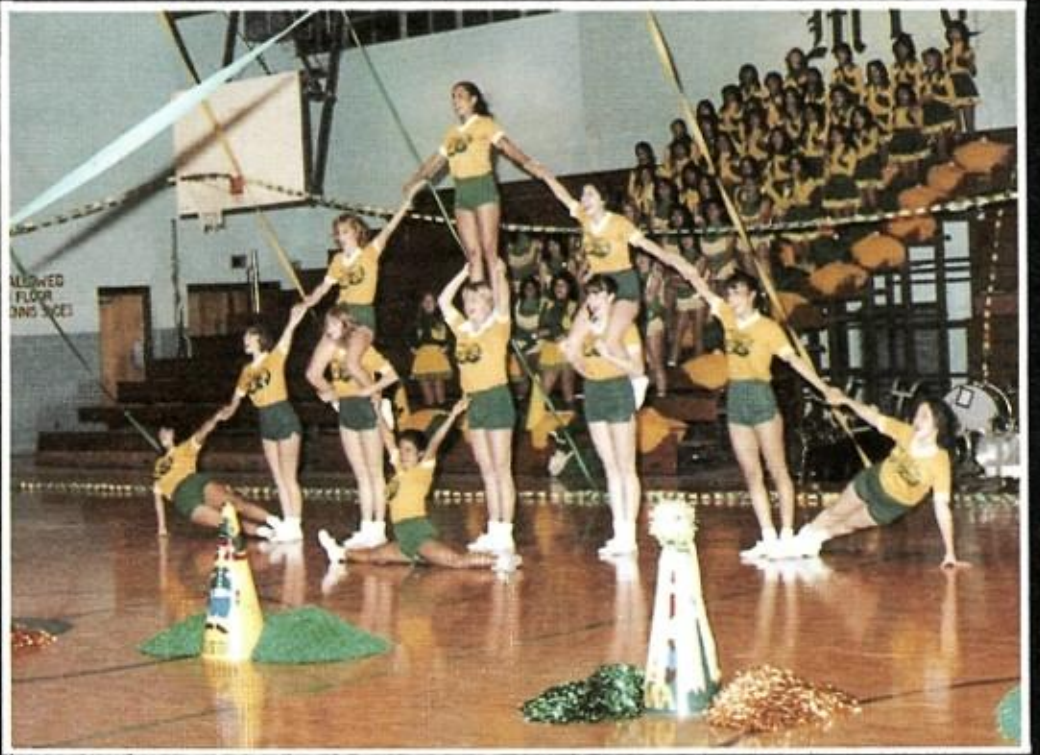

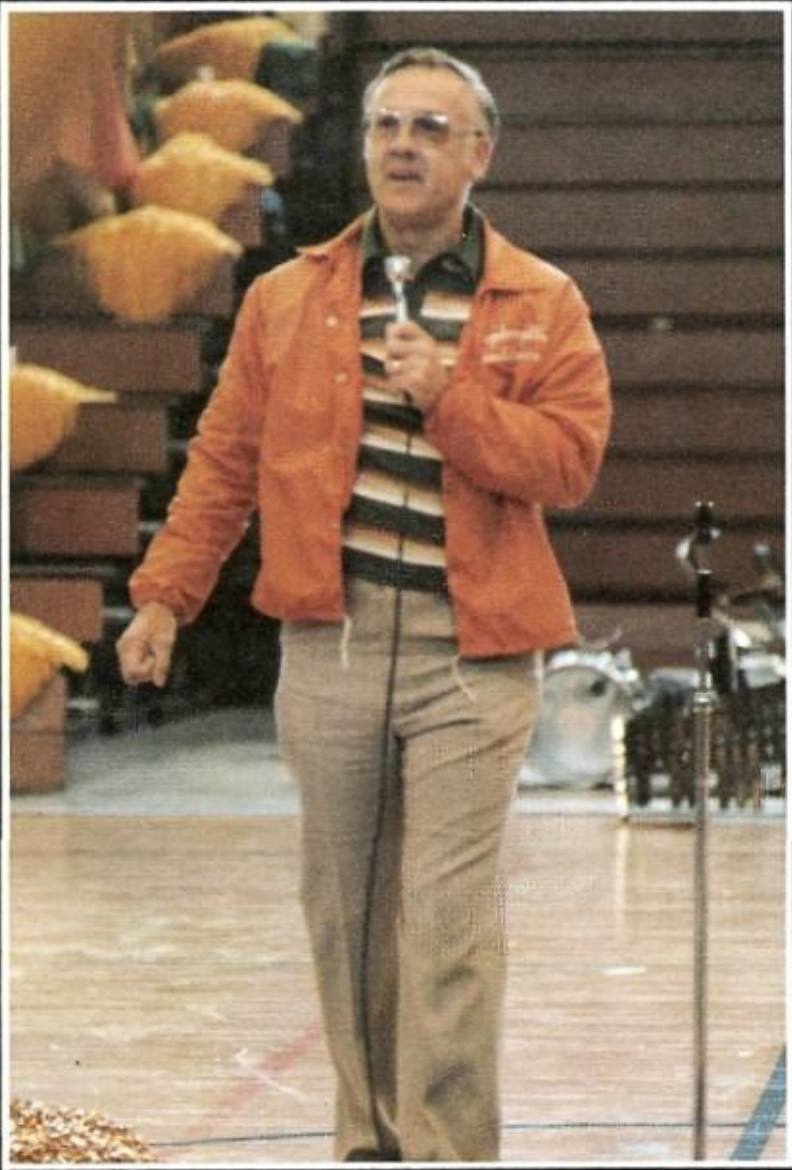

Monday was proclaimed "Death to the Indians Day". Cowboys came dressed in black to mourn at the funeral held here for Harlandale. Tuesday was Suspenders and Overalls Day, Wednesday was Dress-Up Day, Thursday was Western Day, and Friday was Color Day.

A car bash, sponsored by DECA, helped add to the festivities. The Spirit Chain was won by the sophomores, as well as the poster, and the seniors won the Penny Barrel competition. The \$10 prize for Best Decorated Car at the car caravan was won by Robin Ruesch.

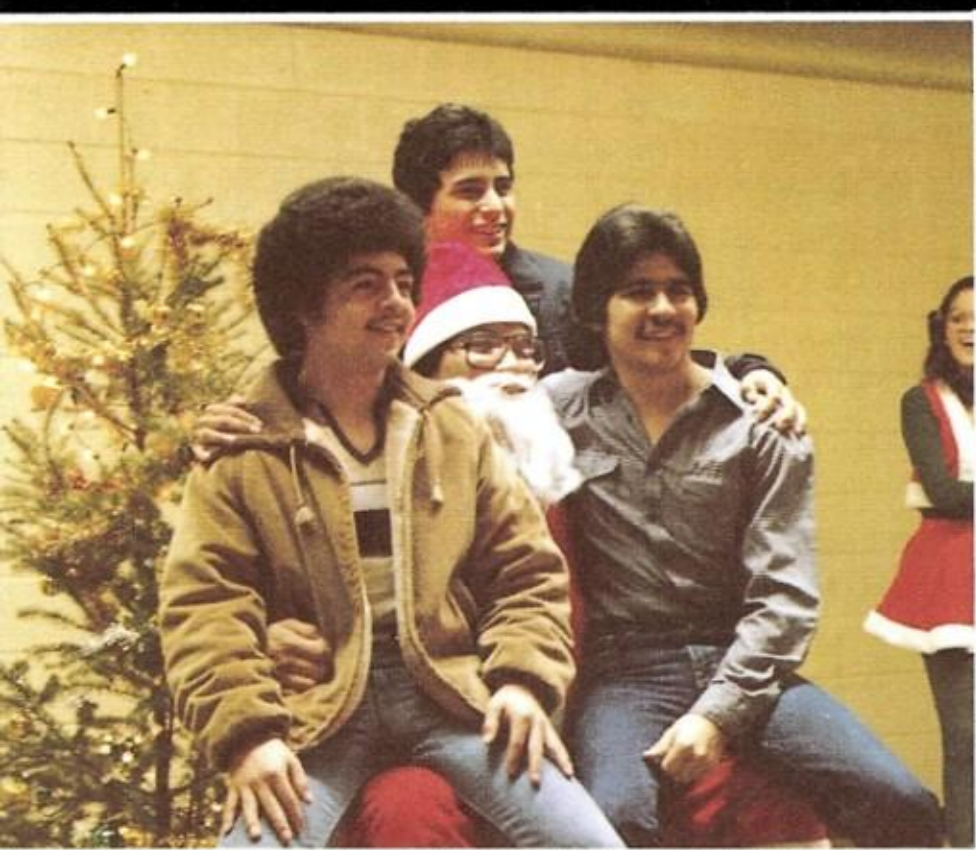

The highlight of the week was the long-awaited game. Balloons and streamers added beautiful scenery as the football players burst through the poster. The first touchdown was made and the Indian body was sent off. The head was later released during half-time. The best part of the game was the score, 16-0, with the Indians being sent to reservations with their heads down low!

On Wednesday, January 13, students at McCollum were taking their first semester finals. Then, out of the blue, white little flakes floated down from the sky. Cowboys ran to the windows, gazing at the sight that hadn't been witnessed in the Alamo City for nearly nine years. The lunch bell rang, and everyone ran outside, gathering the tiny crystals and forming them into balls, playfully throwing them at each other. Yes, this was the day all Cowboys had longed for! Our Heroes Have Always Been Cowboys

The Varsity Football team had a 500 season this year. They posted a 5-5 record on the year. When asked about the team, Coach Mueller said, "The new defense we put in at the start of the season took a while to learn completely, but once we did, things started going a little better. We had a big let down after the East Central game, because we really thought we were ready to play and win. Our boys came on strong at the end of the season and showed their Cowboy pride and character by defeating their rival, the Harlandale Indians, 16-0 in the last game of the season." This ended a four year losing streak.

Varsity Cheerleaders All Pepped Up!

1981-82 MCCOLLUM VARSITY CHEERLEADERS—Veronica Garcia—head cheerleader, Lisa Crowell, Diana Estrada, and Lana Boubel.

Head Varsity Cheerleader Veronica Garcia entered the First Annual South Texas Cheerleading Competition held at Clark High School. She was the third out of six girls to receive a superior Blue Ribbon Award.

Every year in the fall, the chosen cheerleaders for Varsity and Junior Varsity select a camp to attend. This year they chose UCA in San Marcos, where they received a spirit stick for having the most spirit each day. They held possession of the stick for three days! The Varsity received nine superior ribbons and one excellent ribbon for a pom-pom routine, while the Junior Varsity received four superior blue ribbons, also. The cheerleaders did a fine job, but it was only the beginning!

The cheerleaders were not the only ones who attended camp. The McCollum Dance Team attended the Superstar Drill Team Camp in Seguin last summer where they were awarded a Sweepstakes trophy.

In addition to camp, the Varsity and Junior Varsity cheerleaders, Dance Team, and Pep Squad participated in a fund raiser for MDA. The Varsity cheerleaders performed before judges at Alamo Stadium and received a second place trophy for having some of the most outstanding routines. An unexpected honor was the McCollum Tri-C's first place trophy for being the most spirited organization there.

For Armando,

A very nice and Sweet Guy I met
this year in the Attendance office. It's been
(82-83)
a pleasure having you for a friend. Even if
you are a sophomore. (Just joking) I like
just as you are, sophomore or no sophomore,
you're a very Sweet Person. Hope to see
you in our Future Years. Take Care and
God Bless You.
